

New!

129R

Professionals turn to Husqvarna for powerful engines that make tough jobs easy. With the versatile Husqvarna Brushcutter 129R, that power is available to consumers as well. Brushcutter 129R features a powerful 27cc engine and professional quality – combined with a focus on ease of use. It is easy to start thanks to Smart Start®, intuitive controls and the automatic stop return switch – a feature that automatically resets to the ON position for trouble-free starting. 129R comes with combination guard, trimmer head, grass blade and a bullhorn handle for comfortable trimming.

EXTENDED REACH
Straight shaft for extended reach.

STANDARD DOUBLE HARNESS
Standard harness for lighter brushcutters.

FUEL PUMP
Fuel pump designed for easy starting.

SMART START®
The engine and starter have been designed so the machine starts quickly with minimum effort. Resistance in the starter cord is reduced by up to 40%.

Features

- Auto return stop switch for easy starting
- Intuitive controls
- Grass bevel gear for best cutting performance
- Tap 'n Go trimmer head

Technical data
