

## TC 142

The TC 142 is a high-capacity tractor with integrated collection, equipped with a powerful Husqvarna Series, twin cylinder engine, with choke less start. Efficient, integrated collection and convenient, easily emptied from the driver's seat. Pedal-operated hydrostatic transmission makes driving a pleasure. BioClip® plug and deflector for rear ejection is available as an accessory.

### **PEDAL-OPERATED HYDROSTATIC TRANSMISSION**

Easy speed and direction control with pedal-operated hydrostatic transmission. Separate pedals for forward and reverse.

### **TRIOCLIP**

Three different cutting systems in one machine. On our CT tractors collection and BioClip® is standard. Possible to convert to rear ejection with the deflector accessory.

### **YEAR-ROUND USE**

A wide range of accessories makes our tractors versatile and useful all year round. They can be fitted with trailers, snow blades, brushes and more.

### **STEP-THROUGH**

Ensures comfortable and easy mounting and dismounting.
